"I can still vividly recall meeting with KJAD for the very first time at their studio. I knew exactly what I envisioned for my fall wedding, and KJAD turned that vision into a magical reality. From our stationary, to our display shower, to the photography, and incredible custom made donut wall, KJAD simply mastered every single detail. KJAD was by my side for the entire day/night. I cannot thank them enough for how flawless everything was. Let alone, FUN! So, thank you KJAD for turning my visions into a fairytale wedding, and know that not only will I always consider you my favorite photographers, but more importantly, my forever friends."

A photograph of a wedding couple in a forest. The bride is wearing a white lace dress and has a large tattoo on her left arm. The groom is wearing a dark suit and glasses. They are standing in front of a large tree with red and green leaves. The text 'THANKS SO MUCH!' is overlaid on the left side of the image.

THANKS SO MUCH!
